*I will greatly miss Vickie, we were out of touch for many years but when we reconnected we would talk for a long time reliving memories of when we were young and close. She always knew just what i was thinking about and as we were both nurses had much to say. Vickie we promised that we would not lose touch again so I will continue to talk with you and think you will know and understand. Love you*

“ Dear Johnny and Tate and the rest of the family. I was so shocked need to hear of Vickie passing. She was indeed a cracker jack . I ways was laughing at some of crazy things we use to do. I will miss seeing her around town and her wit as well as the singing and song writing. Vickie knew that she was very loved by all that knew her. May God richly bless and hold the family, in his loving arms as you walk through this valley. I'm praying for everyone. Always trust and rest on the comforter AZ he is ever present to help you. Love, Theta
