“I was shocked to hear about Wayne's death. I didn't even know that he was sick. Had I known I would have went to see him. I have been out of town and just returned today. I did find out while I was gone but was unable to post anything from my phone for some reason. I pray that God grants peace to you all and also that Wayne found peace with God before his passing. I often thought of Wayne throughout my adult life and wondered what was happening with him. I spoke with Glenda a couple of times and she told me he was living on Caney Ridge. My thoughts and prayers are with you all.
