“To the family of Woodrow, Calvin and I were so sorry to hear of your father's passing.....He was so faithful in coming to see Enzel in the Nursing Home....I will never forget them holding hands, him sitting there beside her-sometimes both asleep and holding hands. You could feel the love they had in the room whenever he or other family members were there.....what a tribute to both he and Enzel. I can see them in heaven now-both free of pain-and enjoying each other eternally. Our prayers are with your family. God bless you all... Debbie and Calvin”

“To the Mullins family, I am sorry to hear of Woodrow's passing. He and Enzel were always so good to me, and made me feel so welcome. I learned a lot from both of them. He will be sadly missed. I will always remember the good times on the mountain, the great meals prepared by Enzel. And they will always be in my heart. Such a great loss, Love, Linda Sue Amos Mullins”
