“*"To Loretta and children and also all of the Dorton family,&#160; Danny and I were deeply saddened to hear of Zegory's passing.&#160; He was a wonderful classmate in school and also a good neighbor.&#160; He used to work in the mines for my brother-in-law who said Zegory was the hardest worker he had.&#160; There were never any complaints from him or about him.&#160; Everyone liked him.&#160; He often talked of his family especially his children.&#160; He loved them so much.&#160; The Lord has surely called one of the best on home first, and he will be waiting for you to join him someday.&#160; May God richly bless all of you.&#160; You will be in our prayers,Danny and Karen Robinson"*

““To my beloved far away family,&#160;So sorry to here about Zegary, although the years have taken me away on a different path I still thing about my childhood and all memories of those mountains. In 20 years or more I still remember Zegary as someone older than me but someone I looked up to as a hero and role model. I wanted so much to be like him and Meldon when I grew up. I still think of all you all often and it brings tears to my eyes and shame to my heart that I never try and come see or write you all. So much time has passed with my life, responsibilities that make you forget what's really important in your life, FAMILY and&#160;friends. I miss mommy and brother and those hills. I still remember the level place where we all played and played and played. I remember soup beans, biscuits and gravy and Walt Disney World on TV on a Sunday night with homemade popcorn. I'll come home one day and promise to find all of you, hug your neck and tell you I love you.&#160;Until then take care of each other and know you got a hillbilly family living in Florida that loves and thinks of everybody often.&#160;I Love ALL of you,&#160;Willie (BUGGIE)&#160;&#160;wsbird33@windstream.netWolverineTeresa”
