“ Dearest Freida,

Your Mother was one of the kindest people I have ever known and I don't think I ever heard her raise her voice in anger even once. I tried to locate her this summer while we were home for our family reunion, but was unable to find out where she was. We had such a good visit a few years back and I will smile each time I remember the sweet lady who always chose to call me "Bill" from the time I was five years old. The tribute for your Mother was so special, just as she was. May God Bless you and your family with Peace in the memories you will forever hold close in your heart.

*Love and Prayers,
